Young Men of Good Taste

It's absurd for you to dress in clothes which are merely a reproduction, in smaller sizes, of those worn by your elders.
You want clothes which will harmonize with your own aggressive, virile personality—which will show your individuality.

"Pre-Shrunk" Campus Togs for Young Men

possess all the style, fit and workmanship the most expert designing and tailoring can give and have those little touches of advance fashion that make them distinctive.
And because "Pre-Shrunk" by an exclusive process which produces LASTING STYLE and SHAPE PERMANENCE, the pleasing qualities which you admire in a Suit or Overcoat are there to stay. (30)
